1. Open CloudELD App

Tap on the CloudELD icon to open app

2. Login into CloudELD App

Log in with the credentials provided by your motor carrier.

3. Home Screen

Home screen shows current duty status in the main circle and next break, driver time, shift time and total cycle time left.

4. Change Duty Status

To change duty Status, Tap on the current status circle in home screen which is highlighted in red color.

Select the new duty status that you want to change.

5. Personal Conveyance Status

This is a special driving category that might be provided by your carrier. This duty status counts as Off Duty

6. Yard Moves Status

This is a special driving category that might be provided by your carrier for moving material around the yard or via private driveways.

7. Drive Time Mode

When the vehicle is moving more than 5 mph, the duty status automatically changes to Drive Mode.

When the vehicle stops, you will get following option to change the duty status.

8.Insert Driver's Duty Status

Click on this Icon  in Home screen and in Graph screen, Click on + Icon on the bottom which is highlighted in red color to insert duty state

In the following screen select the status and enter Start &End Time and Remarks information.

The screenshot shows the 'INSERT DUTY STATUS' screen for Tuesday, April 16. The top bar includes a back arrow, the title 'INSERT DUTY STATUS', the date 'Tue, 16 Apr', and a 'SAVE' button highlighted with a red box. Below the title are six status options: OFF (red circle), SB (purple circle), DR (green circle), ON (yellow circle), YM ON (yellow dashed circle), and PC OFF (red dashed circle). The 'OFF' status is selected. Below the status options are fields for Start Time (01:20 PM), End Time (01:30 PM), Location (0.9 mi NE west Sacramento, CA), Odometer (271468), and Remarks (test).

9. View / Edit Driver's Duty Status

10

On the Logs screen, click on the edit icon on driver's duty status record.

On the edit duty status screen, you can edit start, end time, location, and remarks..

In Graph screen if any violations will show those HOS in red color.

Violation screen will show list of violations for the specific 24 hours period.

11.Co-Driver Login

Click on the Co-Driver icon which is marked with red circle below and enter Username and Password provided by carrier

12. Requested Motor Carrier Edits

Any Driver's duty status records edits requested by motor carrier to driver will show on click on  top right corner of the Home Screen
