Main Driver Screen Shot

The screenshot displays the 'Driver Home' interface. At the top, the status bar shows 50% battery and 12:05 PM. The header is orange with a menu icon and the text 'Driver Home'. The main content is divided into several sections:

- Driver Information:** Driver: **andrewj**; coDriver: **1mi N CA Los Gatos**.
- Calendar:** A calendar icon showing 'JAN 7'.
- Home Clock:** A circular clock icon labeled 'HOME' showing '14:01:02'.
- Driver Duty Status:** A section with a person and truck icon, showing 'ON DUTY' and 'NOT DRIVING'.
- HOS Rule Set:** 'Interstate Property'.
- Shift Remaining:** '13:50' (green bar).
- Drive Time Remaining:** '10:54' (green bar).
- Break Required:** '7:49' (green bar).
- 8 Day Week Remaining:** '44:51' (green bar).
- Configuration Panel (Yellow background):**
 - Tractor: (no name or VIN shown)
 - VIN: (no value shown)
 - Shipping Document: **MTN 7896543**
 - Trailer 1: **CT8765432**
 - Trailer 2: **AL876543**
 - Trailer 3: **WY987654**

(Note: A Tractor name and VIN# would be automatically shown if this was connected to a vehicle at the time of screen capture.)

Additional Screen shots are shown in the Manual (there are 34 unique screens for setup, configuration, and review)
