Application guide

1. Your cellular device will automatically scan ELD, but when the vehicle is not connected to the ELD, you can see red icon on the button.

2. Driver need to try to connect ELD by pressing ELD disconnection button.

Using ZMS ELD on the road

Once you have connected your mobile device to ZMS ELD, your driving time automatically recorded. When your vehicle begins moving, your duty status will automatically be set to "Driving".

At 5 mph (or more) the vehicle is considered to "Drive" and "On Duty".
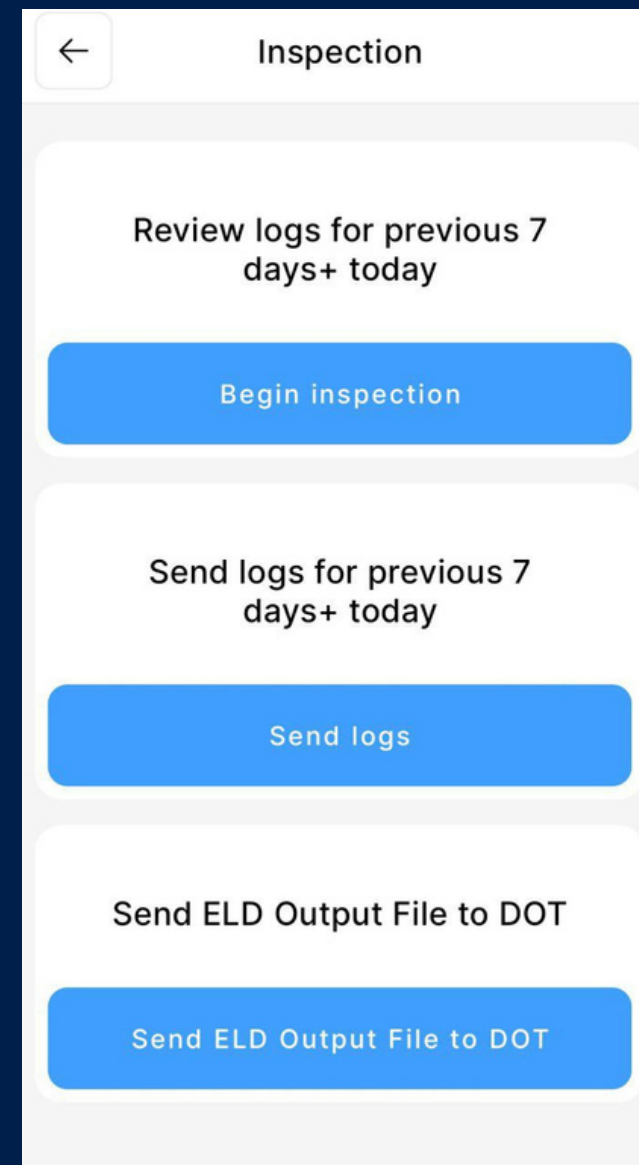

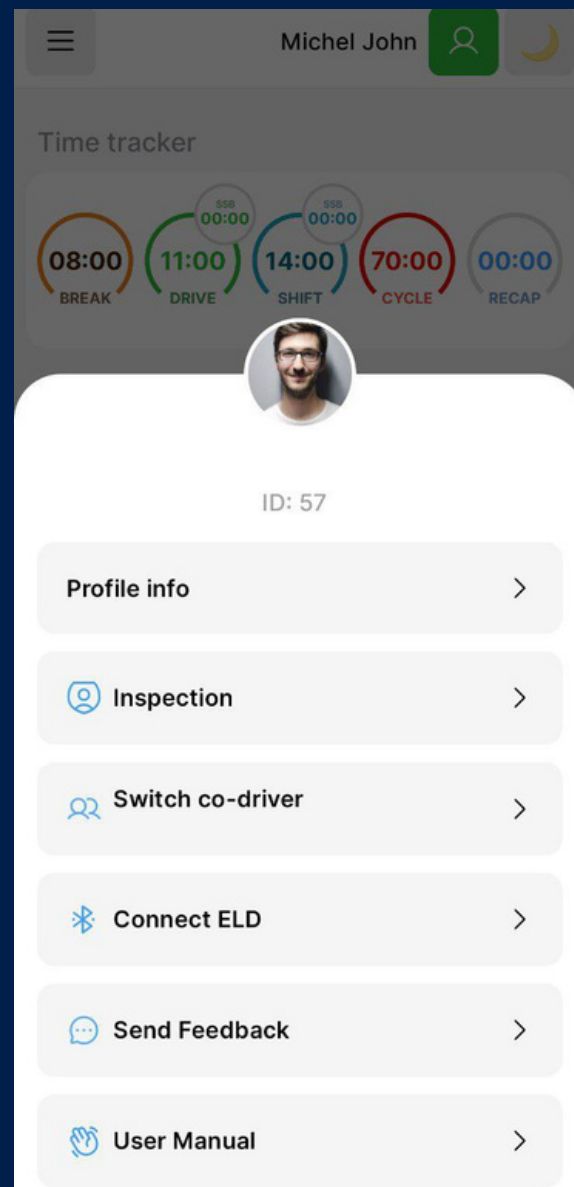

4

Using ZMS ELD on the road

1. From the statuses in the main window, select "Off Duty", "Sleeper", "On Duty" depending on your situation.

2. Fill out location field and put remarks, such as "Pre-trip inspection" or "Coffee break" (if the location field is left empty, it will be automatically set)

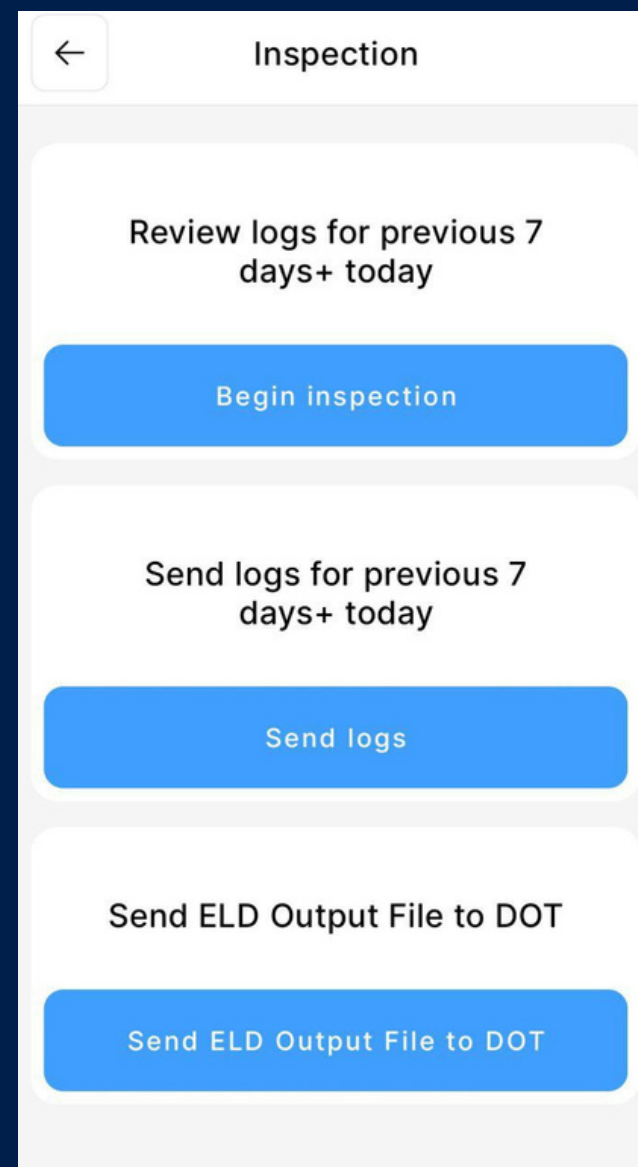

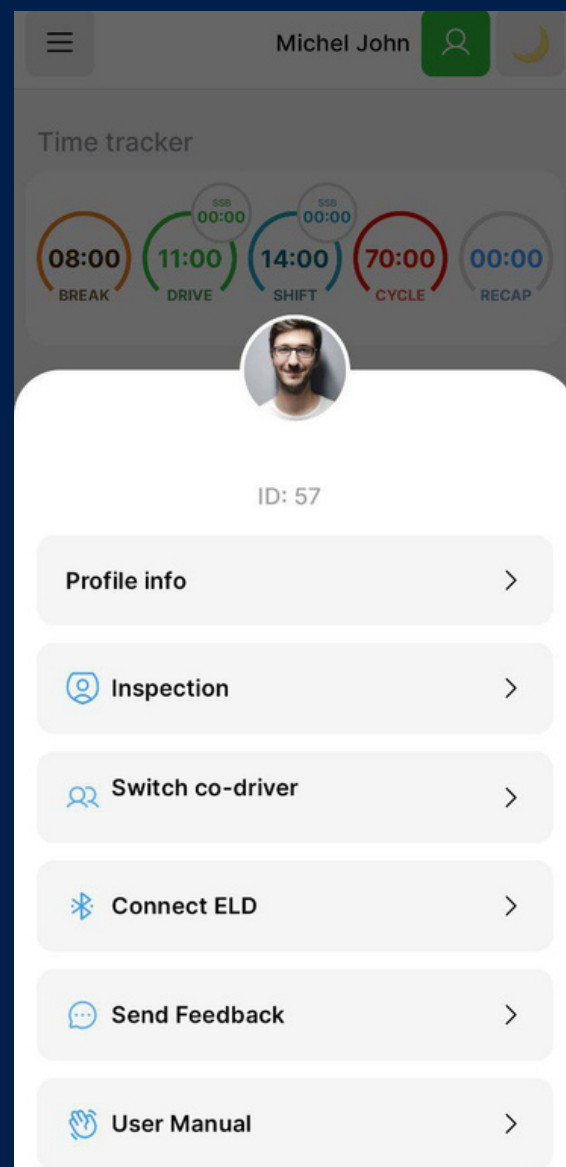

5
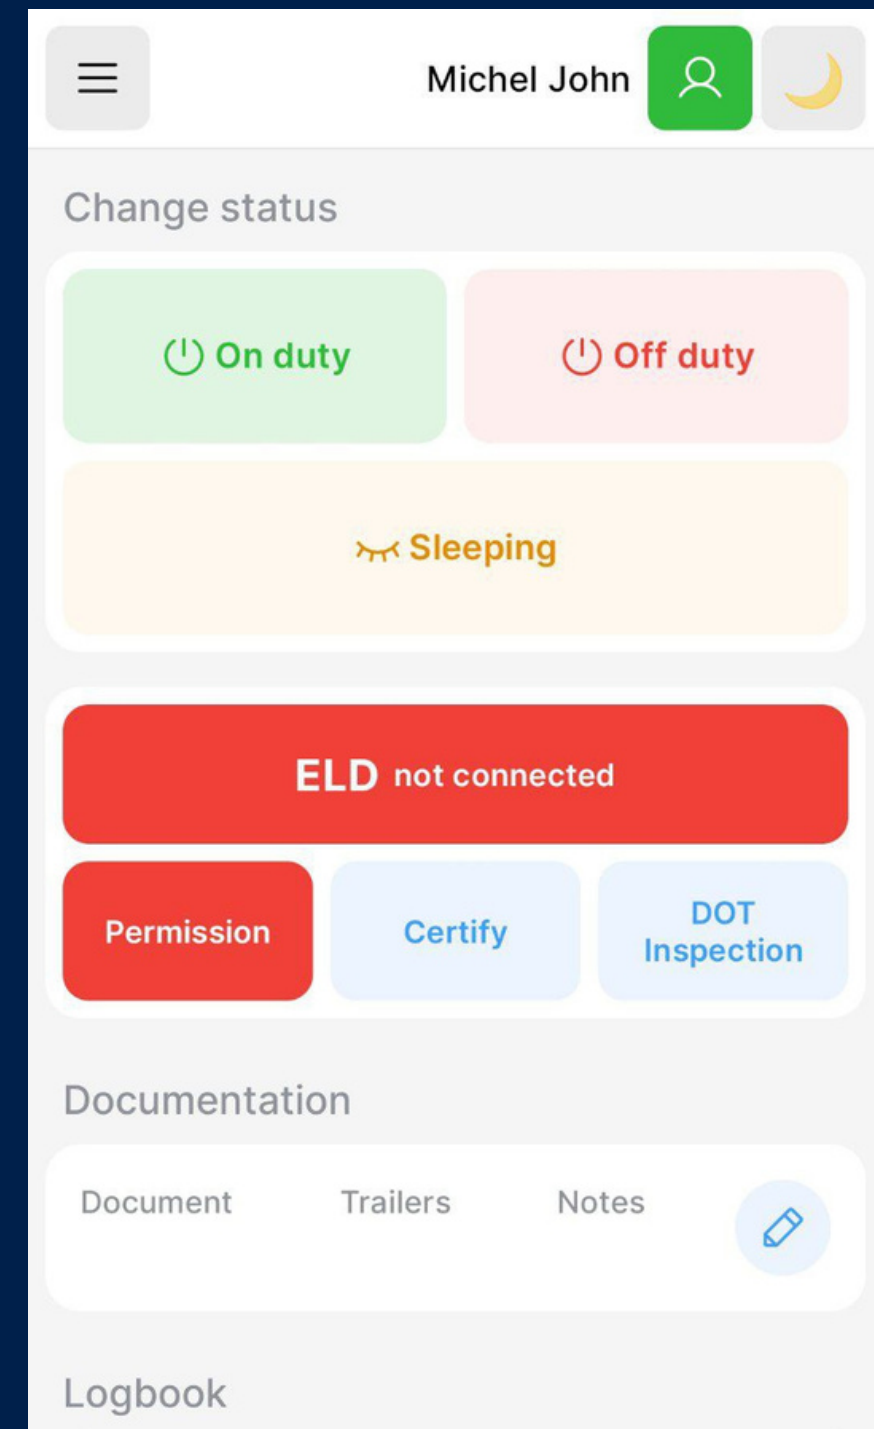

Officer Inspection

It's easy to provide an officer with your driving information

1. Tap "Menu" bar icon on the top left corner and select "INSPECTIONS".

2. Tap "Begin inspection" and show your electronic logbook 8- day summary to the officer.
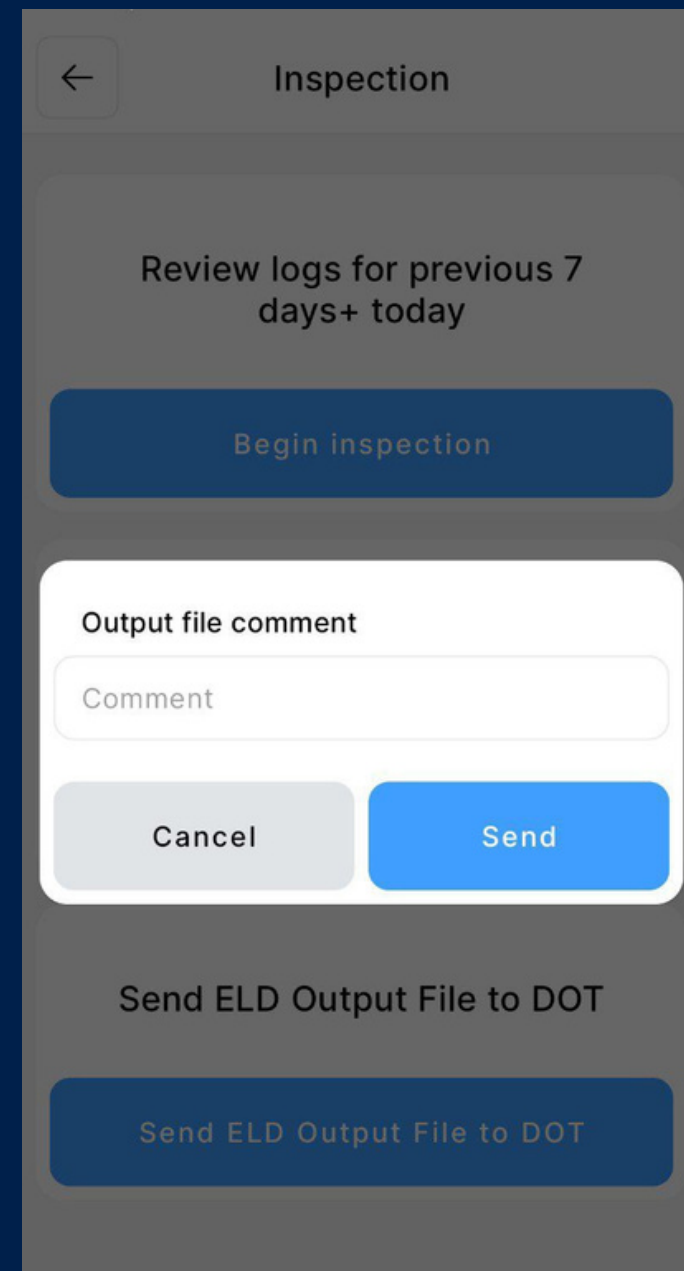

6

Transfer ELD records to authorized safety officer inspection

1.   Tap "Menu" bar icon on the top left corner and select "INSPECTIONS".

2.   Tap "Send electronic logbook to DOT" and show your electronic logbook 8- day summary to the officer.
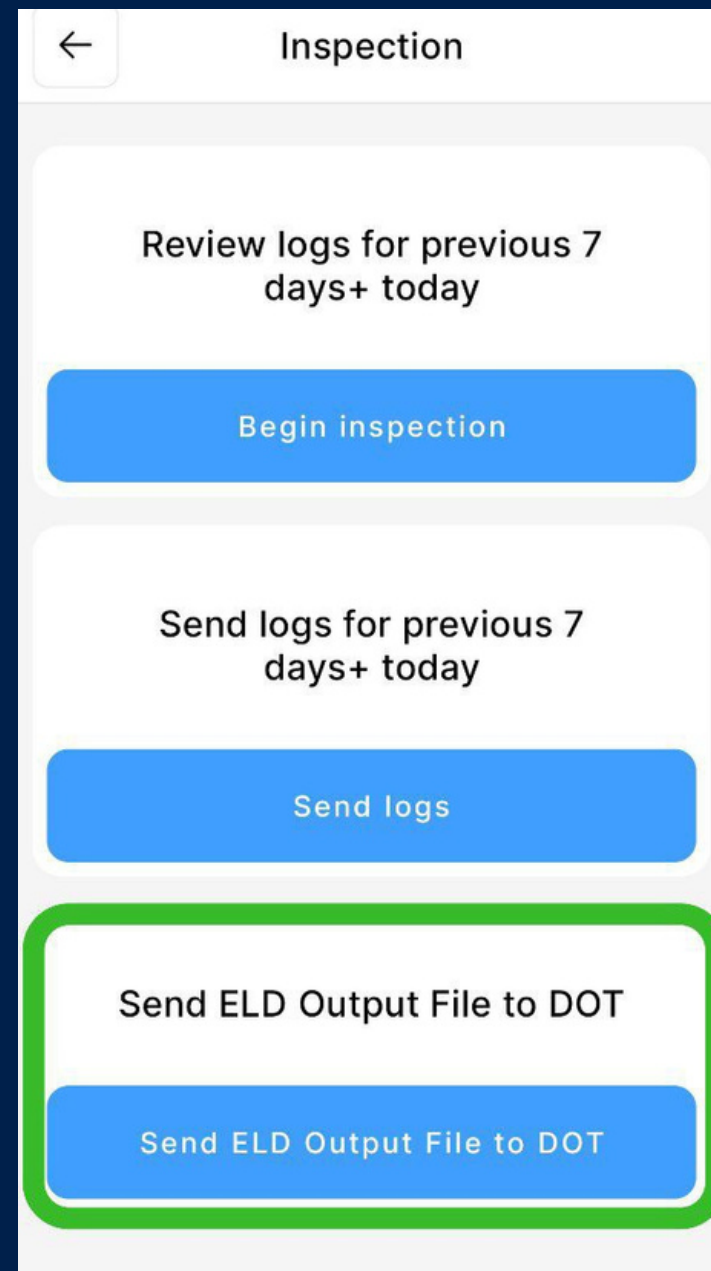

Transfer ELD records to authorized safety officer inspection

3. In the popup menu, select "Send electronic logbook to DOT".

4. In the newly opened window, write your comment and click the submit button.
