# **VRD LOGS ELD Malfunction Manual**

#### In accordance with the guidelines set forth in 395.34

## Malfunction indication

Immediately contact the support if LED light on the device is off when the device is plugged into the diagnostic port or if the malfunction reported by the app.

#### Note the malfunction

Note the malfunction and provide a written notice to your fleet within 24 hours.

### Switch to paper logs

Keep a paper log for that day and until the device is repaired or replaced. In the event of an inspection, display the previous 7 days from the app.

### 8 days rule

In the event of an ELD malfunction, the motor carrier must take actions to correct the malfunction within 8 days of discovery.
