Install the ELD TREX Electronic Log Book

1. For Android phones and tablets download the App from Google Play Store.
2. Open the ELD TREX Electronic Log Book

Login to the ELD TREX Electronic Log Book

1. Enter your login details and tap CONNECT
Read the login details from your email. If you don't have login details yet, or you've forgotten them, contact your Carrier administrator.
2. Allow ELD TREX app to access device's location
3. Enter your trip details:
 - Vehicle ID - Enter vehicle ID. As soon as you start typing in this field list of available vehicles will be displayed
 - Trailer ID - Enter trailer ID. As soon as you start typing in this field list of available trailers will be displayed
 - Shipment ID - Enter shipment ID
 - Tap SAVE, when you entered all pertinent information
 - Tap CLEAR to clear all entered values
4. If the driver did not certify all the daily logs, the app will prompt the driver regarding uncertified logs along with the option to certify the relevant days
 - Tap DETAILS to show log detail
 - Tap CERTIFY to certify log
 - Tap DISMISS to dismiss log certification for now

After successfully login & entering trip details, the Dashboard page is open.
Now you need to connect to your vehicle.

5. Tap NOT CONNECTED icon to connect to your vehicle
Please ensure that Bluetooth is enabled on your device before you connect to ELD TREX app.
If Bluetooth is not enabled, ELD TREX will ask you to turn on Bluetooth.
6. Tap CONNECT to establish connection with the vehicle
7. An icon will change upon successful connection

Start Driving

Once you've completed all of the pre-trip tasks in this section, you're ready to drive.

1. Tap on DUTY STATUS button to change current duty status
2. Select a duty from the list. Insert Remark and tap SET STATUS
3. When your vehicle is moving at 5 MPH or greater, your duty status will automatically switch to Driving, in accordance with the LED mandate
4. When the vehicle stops you will be back to Dashboard screen and you will be able to change your duty status by tapping current duty status icon and selecting some other states.
5. If your vehicle has stopped moving for five minutes you will be prompted with a question if you would like to change your duty status. If you ignore the question for one minute, your duty status will be changed to On Duty

Data Transfer

1. From your Dashboard view, tap the hamburger icon to open main navigation menu.
2. Tap DOT Inspection
3. Tap START REVIEW for visual inspection
4. Tap DATA TRANSFER to send the Output File to DOT Officer via the FMCSA web service
5. Tap EMAIL LOGS in order to transfer the log information via email
6. Enter any remark supplied by the DOT Officer and finish the process by tapping SUBMIT

Team Driving
