1 Initial set-up procedure

1.1 How to log into our E-LOG

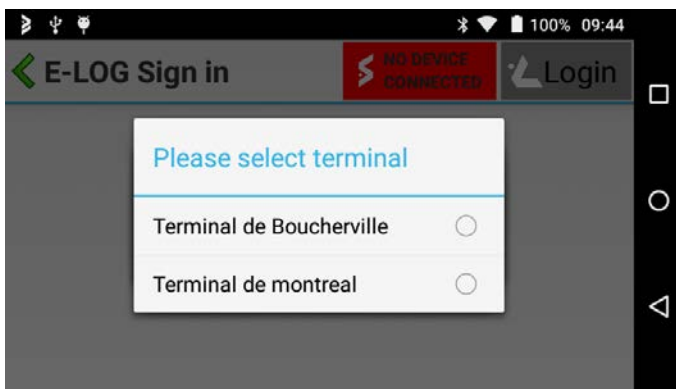

- Launch the E-CODRIVER application. (Application should start automatically on boot up)
- Enter your email address and Password provided by your E-LOG manager and sign in.

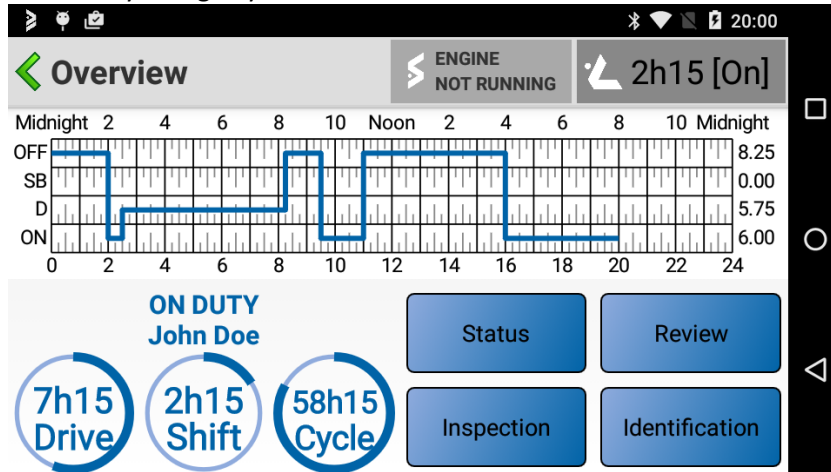

- If you have more than one company it will ask you to select which one are you going to work for.

- If you have more than one terminal at your company, it will ask you to select where you are located.

- After you log in you will see the main screen

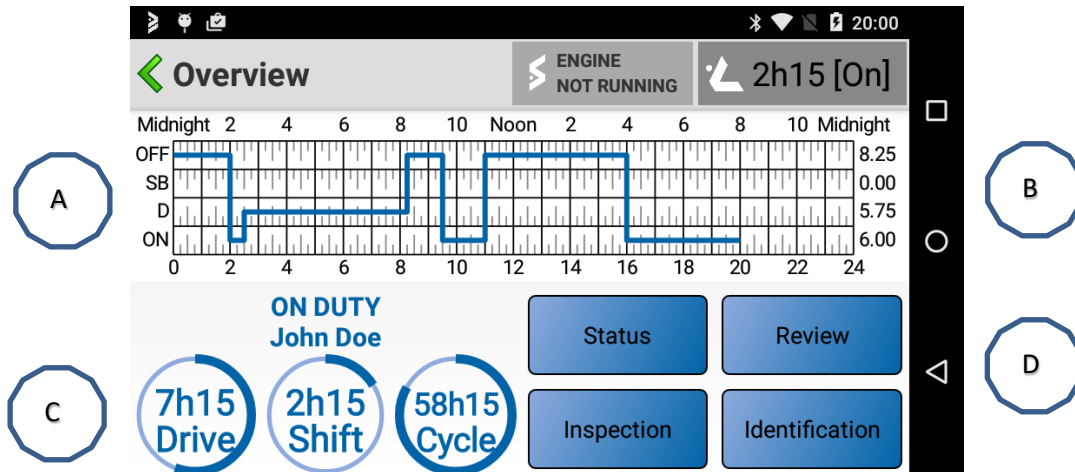

WARNING
Before leaving your vehicle at the end of the day, make sure you log off from your E-LOG to avoid another trucker to use your own Hours of Service.

2 E-LOG: MAIN SCREEN FOR THE CURRENT USER

2.1 Overview of our main screen

- Area A: Where you find out timetable for each status;
- Area B: Where you find total our for your daily timetable;
- Area C: Where you find your Hours of Service remaining for the day;
- Area D: Where you find your Main Menu;

2.2 How to change Duty Status

- When you press Status you will see two different menu depending what will be your status at that specific time.

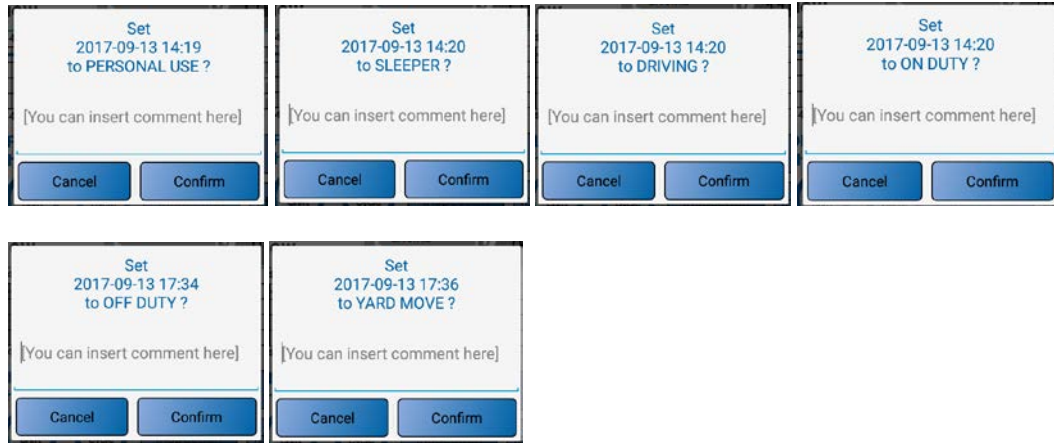

- If you are OFF Duty or ON Duty you will have this kind of Menu

Select Duty	
[Pu] - PERSONAL USE	<input type="radio"/>
[Sle] - SLEEPER	<input type="radio"/>
[Drv] - DRIVING	<input type="radio"/>
[On] - ON DUTY	<input type="radio"/>

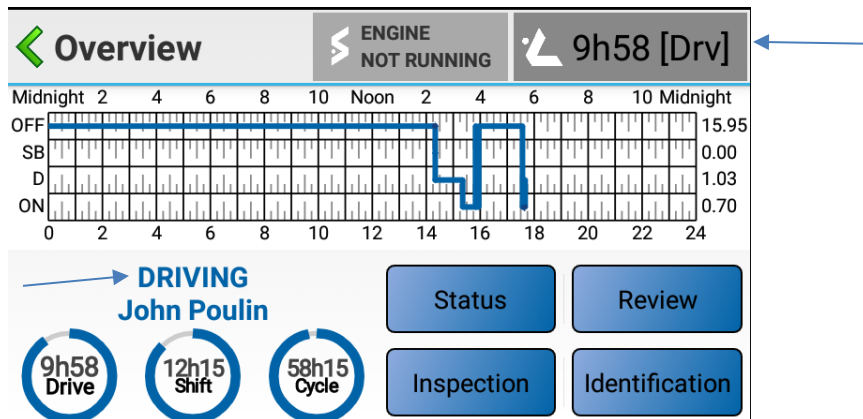

Select Duty	
[Off] - OFF DUTY	<input type="radio"/>
[Sle] - SLEEPER	<input type="radio"/>
[Drv] - DRIVING	<input type="radio"/>
[Ym] - YARD MOVE	<input type="radio"/>

- When you're OFF Duty you can select PERSONAL USE/SLEEPER/DRIVING/ON DUTY. To select PERSONAL USE you need to be OFF DUTY before been able to select that duty.
- When you're ON DUTY you can select OFF DUTY/SLEEPER/DRIVING/YARD MOVE. To select YARD MOVE you need to be ON DUTY to been able to select that duty.

- For each selection OFF Duty and ON Duty you will be able to write a comment or not and confirm your selection. You can also cancel your selection and go back to Main menu.

- After you confirmed your new status, timetable will change and your timer will start to show your remaining time for Driving, Shift and Cycle. (See arrow)

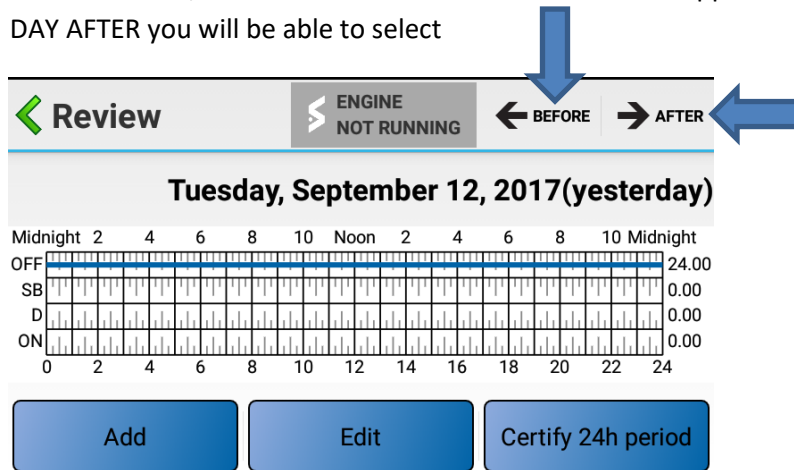

- If you select PERSONAL USE or YARD MOVE, the status will be change automatically but when you will decided to change your status again it you will see those menus for both status.

2.3 How to review your last 7 days

- On Main Menu, hit REVIEW button and this window will appear. By hitting, DAY BEFORE or DAY AFTER you will be able to select

2.3.1 Add Hours of Service

- When hitting ADD, you can add a new Status for a specific period of time. Following those steps to apply a change. Select ADD, Select your new time, Select your new Duty, Confirm your Location, Enter your Trailer info for that period, Enter your shipping document for that period, Confirm your new setting and you're done.

Select Time			Select Duty	
1	30	AM	[Off] - OFF DUTY	<input type="radio"/>
2	35	PM	[Sle] - SLEEPER	<input type="radio"/>
3	40		[Drv] - DRIVING	<input type="radio"/>
Cancel			OK	[On] - ON DUTY <input type="radio"/>

<p>Please describe the location</p> <p>Newark</p> <hr/> <p>DE</p> <p>Cancel Confirm</p>	<p>Please input the attached trailer identification information</p> <p>Trailer 1</p> <hr/> <p>Trailer 2</p> <hr/> <p>Trailer 3</p> <p>Cancel OK</p>
