GREENWAY ELD

GREENWAY ELD solution ensures FMCSA compliance and delivers superior safety and productivity for any fleet.

> www.greenwayeld.com **GREENWAY ELD - Electronic Logging Device**

Automatic HOS

Automatic hours of service calculation and violation alerts. Automatic recording of driving time, miles and locations.

DOT Inspection Mode

Simply show logs on your phone or tablet. No printer needed.

Multiple HOS Rules

Compliant with multiple HOS rules including Property/Passenger 60-hour/7-day & 70-hour/8-day.

Electronic DVIR

Vehicle inspection reports are created and submitted in seconds.

> www.greenwayeld.com **GREENWAY ELD - Electronic Logging Device**

Main Features

ELD Compliance and much more

Compliance Monitoring

Monitor your drivers' hours of service logs and DVIRs. Receive alerts to prevent violations.

Fleet Tracking

Track your vehicles in real time and view their location history.

IFTA reporting

Automatic IFTA state mileage reporting saves you time and money.

Access Permissions

Manage permissions for fleet managers, compliance officers, drivers, accountants, brokers and customers

ELD Components

Things You Need To Stay Compliant

Logging Device

Simply plug Electronic Logging Device into a vehicle ECM port and start recording driving hours and miles automatically.

Logbook app connects to Electronic Logging Device via bluetooth and displays recorded driving time to a driver.

www.greenwayeld.com **GREENWAY ELD - Electronic Logging Device**

Logbook App

Tablet/Smartphone

GREENWAY ELD & App work great with most tablets and smartphones. Use your own or purchase devices and data plans from us.

Install & Connect ELD

www.greenwayeld.com **GREENWAY ELD - Electronic Logging Device**

GREENWAY ELDs are installed within minutes

Locate ECM (diagnostic) port

Locate ECM (diagnostic) port inside of your vehicle. Look for 9-pin or 6-pin circular ports in heavy duty vehicles. Look for OBDII port in light/medium duty vehicles.

Install ELD

Simply plug the provided cable into a vehicle ECM (diagnostic) and attach the other end to the ELD device. The dual fastener is provided for dash mounting.

Log into HOS 247 Logbook App

Log in to GREENWAY Logbook App on your tablet/smartphone with a username and password created during a sign up process or provided by a fleet manager.

Connect ELD

Select a vehicle from a list of available vehicles and your device will attempt to connect to ELD via Bluetooth. Green Bluetooth indicator at the top right corner means you are ready to start using ELD.
