EDO ELD - Electronic Logging Device
Main Features
ELD Compliance and much more

Automatic HOS
Automatic hours of service calculation and violation alerts.
Automatic recording of driving time, miles and locations.

Compliance Monitoring
Monitor your drivers’ hours of service logs and DVIRs.
Receive alerts to prevent violations.

DOT Inspection Mode
Simply show logs on your phone or tablet.
No printer needed.

Fleet Tracking
Track your vehicles in real time and view their location history.

IFTA reporting
Automatic IFTA state mileage reporting saves you time and money.

Multiple HOS Rules
Compliant with multiple HOS rules including Property/Passenger 60-hour/7-day & 70-hour/8-day.

Access Permissions
Manage permissions for fleet managers, compliance officers, drivers, accountants, brokers and customers.

Electronic DVIR
Vehicle inspection reports are created and submitted in seconds.
Simply plug Electronic Logging Device into a vehicle ECM port and start recording driving hours and miles automatically.

Logbook app connects to Electronic Logging Device via bluetooth and displays recorded driving time to a driver.

EDO ELD & App work great with most tablets and smartphones. Use your own or purchase devices and data plans from us.

EDO ELD - Electronic Logging Device
Install & Connect ELD

EDO ELDs are installed within minutes

- **Locate ECM (diagnostic) port**
  Locate ECM (diagnostic) port inside of your vehicle. Look for 9-pin or 6-pin circular ports in heavy duty vehicles. Look for OBDII port in light/medium duty vehicles.

- **Install ELD**
  Simply plug the provided cable into a vehicle ECM (diagnostic) and attach the other end to the ELD device. The dual fastener is provided for dash mounting.

- **Log into EDO ELD Logbook App**
  Log in to EDO ELD Logbook App on your tablet/smartphone with a username and password created during a sign up process or provided by a fleet manager.

- **Connect ELD**
  Select a vehicle from a list of available vehicles and your device will attempt to connect to ELD via Bluetooth. Green Bluetooth indicator at the top right corner means you are ready to start using ELD.

EDO ELD - Electronic Logging Device
Visual notifications and sound warnings help you to avoid hours of service violations and stay compliant.

Warnings
Available driving hours, required breaks, on-duty limits and required off-duty time are calculated automatically.

Driving with ELD

- Once ELD connected, your driving time will be captured automatically.
- Once your vehicle is moving at 5 mph or more, your duty status is switched to Driving.
- Your logs and others features are not available while in Driving mode due to safety reasons.
- Once your vehicle is stopped, you may change your duty status by tapping on the status circle. The app will remind you to make a selection in 5 minutes. If no selection is made, your duty status will be switched to On Duty.

Hours
Available driving hours, required breaks, on-duty limits and required off-duty time are calculated automatically.

Warnings
Visual notifications and sound warnings help you to avoid hours of service violations and stay compliant.

Duty Status

Set duty status with just two-clicks. Status is updated automatically when driving starts or stops, Easy-to-use interface allows drivers to spend less time doing paperwork and more time driving. EDO ELD simplifies training and prevents log errors.

Current Status
Current duty status is always displayed on Status page inside of status circle along with available or reset hours.

Change Status
Tap the status circle, select your current status, add a note if necessary (i.e. pre-trip inspection) and press “Update” button.

Personal/Yard
Personal Use Off-duty and Yard Move On-Duty statuses must be configured and allowed by a fleet manager.
Today’s Log
Tap on TODAY’s log to view & manage your current log.

Logs History
View past logs & violations if any. Tap on a log you would like to view or edit.

Graph Grid
Similar to paper logs, view your hours or service on the graph grid.

Statuses/Events
Tap on a specific status in the events section to view location and notes.

Edit/Insert Status
Press on “Pencil” to edit or “+” to insert a past duty status.

Certify Log
Tap “Certify” and sign your log when your shift ends.
