CTE-LOG ELD Malfunction Manual

In accordance with the guidelines set forth in 395.34

- **Malfunction indication**
  Immediately contact the support if LED light on the device is off when the device is plugged into the diagnostic port or if the malfunction reported by the app.

- **Note the malfunction**
  Note the malfunction and provide a written notice to your fleet within 24 hours.

- **Switch to paper logs**
  Keep a paper log for that day and until the device is repaired or replaced. In the event of an inspection, display the previous 7 days from the app.

- **8 days rule**
  In the event of an ELD malfunction, the motor carrier must take actions to correct the malfunction within 8 days of discovery.
