ELD Update

FMCSA reinstated FORZA ELD to the list of Registered Electronic Logging Devices (ELDs)

Motor carriers and drivers may now use FORZA ELD to record and transfer hours of service data.

As of November 18, 2026, the following device is now listed on the list of registered ELDs. The ELD was previously revoked but has been reinstated.

ELD Name: **FORZA ELD**
Model Number: **4ZALD**
ELD Identifier: **FRZ616**
ELD Provider: **10th Street LLC**
